COLD WAVES

With Snow Sleet and Rain Sched-
uled For November.

Hicks, in Word and Works, gives
the following summary of the weather
to be expected in the month of
November:

A change to much warmer will
set in westward about the 2nd, fall-
ing barometer will follow in the
same section, cloudiness will rap-
idly ensue, and storms of rain, wind
and probable thunder southward,
will result during the 3rd to the 6th.
On the western and northern sides
of these storms expect the rain to
turn to heavy sleet and snow. Sleet
will be a marked feature over vast
sections—a fact to be noted by all
who manage the wires and similar
interests. Blizzards north and
west. A general cold wave, frost
and freezing will bring up the rear,
of these storms, progressively from
the northwest to eastward and
southward.

On and touching the 10th, 11th
and 12th the barometer will fall
and general reaction to storm con-
ditions will return. More storms
of rain and snow will move east-
ward over the country from Thurs-
day the 15th to Monday the 19th.
Another decided dash of early win-
ter will follow this period, being
generally felt over the country and
lasting up to about the 21st.

The last storm period for Novem-
ber is central on the 27th, extend-
ing from the 25th to the 30th. Mark-
ed storm conditions will begin west-
ward about the 26th and energetic
storms of rain, wind and snow will
pass eastward over the country on
the 27th to 30th. High tempera-
ture, rain, snow and storminess
will not subside generally until af-
ter that date, although a high bar-
ometer and cold wave will be in
sight in the northwest as the month
goes out.

THREE INDICTMENTS

Returned Against Dr. Henry M.
Wharton, The Evangelist.

Freehold, N. J., Oct. 6.—The
grand jury has returned three in-
dictments against the Rev. Dr.
Henry M. Wharton, the evangelist.
The first indictment charges the
minister with securing money un-
der false pretenses from Miss Clara
Somers, of Ocean Grove.

The second indictment charges
Dr. Wharton with embezzling \$5,000
from Miss Somers.

In the third indictment the evan-
gelist is charged with embezzling
\$8,000.

Rooms Gathered For The Kentuck-
ian by "Fruit Hill."

Fruit Hill, Ky., Oct. 24.—Miss
Myrtle Hickey is the guest of Mrs.
Vi Smith this week.

Sheriff Barnes was in this vicini-
ty last week on very important
business.

Mr. Huston Gamble and Miss
Minnie Nixon eloped to Clarksville
last Thursday night and were
married.

Miss Flora Hord is visiting
friends and relatives in Hopkins
County.

Mrs. King and family are the
pleasant guests of her father, W. W.
West, at this writing.

Say! I would like to hear from
"Honey Bee," once more. Surely
you have not crawled in your hive
so soon. Flowers are still in
bloom.

Dr. G. W. Williams is on the
sick list this week.

Don't forget the fox supper at
Popular Grove Saturday night, Oct.,
27. It will be conducted by the
teacher at that place, Mr. Robinson.

The Democrats were greeted by
a large and appreciative audience
at this place Monday. The speak-
ing was grand indeed and was heard
by the most anxious Democrats of
the vicinity. The band boys looked
grand and noble. I must say their
visit was highly appreciated by the
Fruit Hill people. Wishing them
much success in their rounds this
week I am, Respectfully,
FRUIT HILL.

DECLINES TO PARTICIPATE

In The Trial of the Havana Postal
Fraud Cases.

The Lexington Democrat says
Col. Thomas C Campbell, who has
figured so conspicuously in the
Goebel assassination cases, re-
ceived a commission to participate
in the trial of the Havana postal
fraud cases, but will decline it.

He has likewise declined to ap-
pear in defense of Mrs. Van Liew,
who is charged with having
caused the death of Miss Alice
Hammell by throwing vitriol in her
face and over her body at Van
Wert, O.

"I will not take another crimi-
nal case in Kentucky or Ohio un-
less it be of veriest importance to a
personal friend," said Col. Camp-
bell to a reporter for the Democrat.
"I declined the proposition from
Havana because of the fact that
my time for several months yet
will be occupied with the prosecu-
tion of the assassins of Gov.
Goebel and with several large
civil cases in New York and Ohio."

The best protection against fevers,
pneumonia, diphtheria, etc., is in
building up the system with Hood's
Sarsaparilla.

For Malaria, Chills and Fever

THE BEST PRESCRIPTION IS

Grove's Tasteless Chill Tonic.

The formula is plainly printed on every bottle—hence you
know just what you are taking when you take Grove's. Imitators
do not advertise their formula knowing that you would not buy
their medicine if you knew what it contained. Grove's contains
Iron and Quinine put up in correct proportions and is in a Tasteless
form. The Iron acts as a tonic while the Quinine drives the
malaria out of the system. Any reliable druggist will tell you that
Grove's is the **Original** and that all other so-called Tasteless
Chill Tonics are imitations. An analysis of other chill tonics shows
that Grove's is superior to all others in every respect. You
are not experimenting when you take Grove's—its superiority
and excellence having long been established. Grove's is the
only Chill Cure sold throughout the entire malarial sections of
the United States. No Cure, No Pay. Price, 50c.
